CHRONICLES OF CURSED SWORD

The cast of characters

MINGLING

A lesser demon with divine qualities, Mingling is now the loyal follower of Shiyao Lin. She lives in fear of Rey who still doesn't trust her.

THE PASA SWORD

A living sword that hangs on for demon blood. It grants its user incredible power, but at a great cost: it can take over the user's body and, in time, his soul.

JARYOON KING OF HAYUN

Mobile and charming, Jaryoon is the stuff of which great kings are made. His freedom, his energy, his love of seeking adventure and apparently his order to Jaryoon to be executed, as the young king now travels to the capital to get to the heart of the matter. A great warrior in his own right, he does not have magical abilities and is unconcerned to controlling demons.

SHYAO LIN

A sorceress, and Rey Yan's true friend, Shiyao goes hand in hand with Rey during their three years of study together with their sister, and thanks of him as her little brother. She's Rey's confidante—she tells her to be honest. She also seems quite concerned with the hand-eyes in prison.

REY YAN

Rey's not quite a normal teenager. An orphan, he and Shiyao were raised by a very old man who trained them as the warriors of war and magic. After the Demon White Tiger also joined their quest, Rey and Shiyao become wanderers, Rey wields the Pasa sword, a weapon of immense power that he needs to take care his very real. Under the right circumstances, he could be a hero.

MOOSUNGJE EMPEROR OF ZHOU

Until recently, the kingdom of Zhou under Moosungje's reign was a peaceful place, its people prosperous, its foreign relations amiable. But recently, Moosungje has undergone a mysterious change, leading Zhou to war against its neighbors.

SORCERESS OF THE UNDERWORLD

A powerful sorceress, she was approached by Shiyao's agents to team up with the Demon White Tiger. For now her motives are unclear, but she's not to be trusted...

SHUYUN PRIME MINISTER OF HAYUN

A powerful sorceress who is to be kept with the Demon White Tiger and plans to take over the kingdom. He is the creator of the Pasa sword, and he wields the Pasa sword... the Council. Shuyun is busy to the day to victory.

When Key rejects an invite from the Sorcerer of the Lind world, her monstrous kidnapper Shiga is bent.

Key offers to exchange the Pele sword for her release, knowing the worth of his sword, which proves to have a life of its own.

...but Key's true colors shine and he takes back the sword, joined by Mingling and Jaxxon, his vantage to the Underworld, to rescue Shiga.

During his confession to the Sorcerer of the Underworld, Key is welcomed into his "true" demon form.

...and his person slowly merges into the back rooms of his consciousness, as a controlling demon possesses him.

The demon possessing Key cooperates with the formation to summon the Demon Emperor by combining the powers of the Pele and PaChan swords.

Key awakens alone with Shiga, remembering nothing of his "demon form."

Out of the Sorcerer's domain, Key encounters Chai Kutha—a diminutive, 3-frog, half-human martial arts master who playfully tests Key in combat.

Meanwhile, Emperor Moosungu, madly wields the PaChan sword to battle.
